REV. EDD OUTLAND BELOVED MINISTER CALLED BY DEATH

Many Mourn for Popular Baptist Preacher Who Died Thursday

GREAT CROWD WAS AT FUNERAL SATURDAY

Hundreds of friends and admirers, those among whom he had spent his life and to whom he tenderly ministered in joy and sorrow, joined the family last Saturday in paying the final tributes of love and respect to the Rev. Edd Outland, beloved Baptist minister, who died Thursday night at his home two miles northeast of Pine Bluff.

Brother Outland began suffering from a bone infection about 10 years ago and since that time had been compelled to go on crutches. However, his physical handicap, and suffering never lessened his enthusiasm or his activity and no one ever heard him make the slightest complaint of his affliction.

For many years he served the church at Poplar Springs as pastor and also served many other Baptist churches in both Calloway and Stewart counties. He was a member of the Blood River church. The Rev. Outland, who was 65 years old, is survived by a daughter, and eight sons, besides his widow. They are Mrs. Willie Johnson, who resided near him; Wavel and Joe Outland, of Murray; Kelly Outland, near Concord; and Hannibal and Colie, of Detroit, all by a previous marriage and three sons, at home, William, D. V. and L. E.

Also surviving are a sister, Mrs. Fanny Chrisman and two brothers, Lee and Andrew Outland. The services were held at the Blood River church by Rev. J. H. Thurman in the presence of a great throng and burial was in the church cemetery. Many from Murray attended the rites.

DR. RICHMOND TO TALK AT HOSPITAL

Celebration at Mason Memorial on May 12 Is Planned

Dr. J. H. Richmond, president of Murray State College, has been engaged to deliver the principal address on the campus of the William Mason Memorial Hospital in connection with a big celebration to be held on National Hospital Day, May 12, from two to five o'clock. The college band, under the direction of Prof. W. H. Fox, will give a band concert from two to three p. m. and will also play several selections in connection with the speaking program from three to four p. m. The Murray High School band, under the direction of Prof. E. B. Crane, will give a band concert on the campus from four to five p. m.

According to S. A. Ruskjer, general manager of the William Mason Memorial Hospital, a very interesting and entertaining program will crowd each moment of the three hours entertainment. Preparations are being made for hundreds of visitors to be taken through the new hospital building to have a glimpse of this most modern institution. Mr. Ruskjer has made arrangements to serve free ice cold Birely's orange juice to the visitors attending this celebration. He is also arranging to present the eldorado and accompanied by their parents to the Hospital Day celebration, a toy balloon. One hundred pairs of dainty rubber gloves will be given to the first one hundred children in line as a reminder of the careful technique employed in taking care of patients in a most sterile way at the hospital.

The columns of this paper will make known further details concerning this celebration on National Hospital Day. Plans definitely to spend three happy hours at the William Mason Memorial Hospital, May 12.

JUDGE HALE RUMORED AS REPRESENTATIVE CANDIDATE

Political rumors have it that former county judge C. A. Hale is considering making the race for the Democratic nomination for Calloway county representative in the state legislature in the coming August primary.

Judge Hale has not given any indication of his intentions. He would only say that he had had many solicitations.

Four-legged Chicken Hatched on Route 7

An oddity that might well be in Ripley's "Believe It or Not" was brought into the Ledger & Times Saturday when Mrs. W. H. Perry, Murray Route 1, unwrapped a cartridge box and food from it a four legged chicken.

The chick had been hatched out with a brood of 10 others Wednesday night and had its two normal legs on which it unsteadily made its way about the counter. Above these two legs, apparently growing out of its spine, it had two other legs, both complete with thigh and feet; on stuck straight out and to the rear, the other curled back in under the right wing. The chick is otherwise normal. Boy, check the drumsticks!

J. GRAHAM DENHAM IN RACE IN SWANN

Young Farmer and Stockman Is Candidate for Magistrate in Primary

J. Graham Denham, well known young farmer and stockman of the Swann district, today makes his announcement for magistrate in that district, subject to the Democratic primary in August.

Mr. Denham, a young man, aged 37, traveled for 15 years, representing the home office of the Commonwealth Life Insurance Co. and carried on a livestock farm in Calloway county at same time.

He is a graduate of Bowling Green Business University and all his work for 15 years in insurance business was organization work. Since 1935 Mr. Denham has devoted all his time to his farm and livestock business.

He is the grandson of Jim "Squire" Denham, who served in this precinct for a period of four terms and son of Brack Denham, both of whom are deceased. Mr. Denham was chairman of Calloway county Corn-Hog association for year of 1934 and assistant chairman of South Swann district on tobacco and chairman of Swann district on Corn-Hog and the board of directors of association of Calloway county for 1935.

Mr. Denham said: "I pledge an honest administration and will not procrastinate in serving the duties of this trust. I am not politically obligated to any group of men nor any individual and am not making any rash promises to any man for his support but am promising the districts as a whole and every person individually, a fight to the finish for everything that belongs to Swann magisterial district."

LESPEDEZA SEED AT LOWER PRICE

John T. Cochran Finds Source at One-Half of Peak

County Agent J. T. Cochran has investigated the supply and price of Korean Lespedeza seed and made a very fortunate discovery for the farmers of Calloway county. Lespedeza seed can be purchased at approximately one-half of its peak price and farmers have still another month in which to seed their idle land to this very valuable clover.

It would be a very fine practice if every acre of land in the county, not planted to some other, were seeded to Lespedeza at the rate of 12 1/2 pounds per acre. This will make the cost of seeding less than one will get in the Agricultural Conservation Program for seeding this clover.

In other words if one has not earned his seedling allowance and has land that is not seeded this would be a fine way in which to earn it because he is going to get more in return than it will cost him to seed it.

THURMOND'S REDECORATED

Ed Thurmond's Cash Grocery is now undergoing a redecorating with paint inside and out. The interior walls are being done with white and the outside front is being painted black.

The largest amount of limestone ever shipped into Breathitt county in one month was shipped in March, 348 tons.

An alfalfa program has been worked out in Fayette county, with many farmers planning a 5-acre seeding.

LEE CLARK HAS ANNOUNCED FOR ASSEMBLY CHAIR

Served With Distinction and Many Fine Accomplishments Four Times

LEGISLATIVE RECORD IS OF HIGHEST TYPE

Lee Clark, one of the county's best known and a faithful representative of Calloway county in the 1922, 1924, 1926 and 1930 sessions of the Kentucky State Legislature, today makes formal announcement of his candidacy to represent the county in the 1938 session.

Mr. Clark is too well known both as an outstanding citizen of Calloway county and an honorable, diligent and effective legislator to need an elaborate introduction. However, since it has been almost eight years since he was a member of the house it is not amiss to recount some of his accomplishments while a member of that body.

In both 1926 and 1930 he was a member of the Rules and Finance Committees, the two most important committees in the House. During all four sessions he has served his district in the House. He took a leading part in enacting legislation for Calloway county and the rural sections of the state.

In 1922 when the normal school was founded at the founding of Murray State Teachers College, he was enacted, Mr. Clark rendered service beyond price in obtaining.

CALVIN HENLEY IS KILLED IN WRECK

Mayfield Resident Was Son of Mrs. Malinda Henley, South of County

Calvin Wesley Henley, 49, of Mayfield, son of Mrs. Matilda Henley and brother of Jesse Henley, of the Southwest part of the county, was fatally injured in an automobile wreck near Mayfield Sunday night. Mr. Henley died Tuesday morning at the Mayfield hospital.

The Mayfield Messenger gives the following account of the accident: "Henley was almost decapitated when a car in which he was riding crashed into a large truck parked near Washington school. Examination by physicians showed that the base of the skull was badly fractured, jawbones on both sides of the face shattered, and practically all the teeth knocked out."

Atmer Lassiter, Almo letter carrier, was driving the car in which Henley was riding. He escaped with minor head injuries. There were no other occupants of the car. The truck was unoccupied.

Cecil Hixon, owner of the truck, said that he left the machine parked at the curb while he was visiting at a house nearby. He said that the truck was struck in the rear and was knocked thirty feet.

Pat Rule, employee of the Merit Clothing Company, reached the wreck scene shortly after the crash occurred about 8 o'clock and brought Henley to the hospital. "Henley resided near the Pet Milk Company plant, between Highway 45 and the railroad."

He is survived by his widow and 10 children; one other brother, Rev. W. W. Henley, Jackson, Tenn., and three sisters, Mrs. Laura Henley, Mrs. Della Baker and Mrs. Atmer Lassiter, Almo. He was a member of the Mt. Pleasant Presbyterian Church.

Funeral services were held from the Story Chapel Church Wednesday afternoon and were conducted by the Rev. Elmer Motheral. The pallbearers were Arthur Rogers, Gaylon Rogers, Albert Paschal, Cary Smotherman, Bert Wilson and Bay Hall.

Sketches of Graduates Will Appear Next Week

Due to the great mass of material in giving coverage to the commencement week events in the six county high schools we find it necessary to postpone until next week the personal sketches of the graduates of these six schools.

It was not found possible to publish them, together with the program announcements, this week and also take care of the regular news matter.

Logan county farmers expect to terrace from 1,500 to 2,000 acres of land.

Mrs. Jack Farmer Is Awarded Beautiful Living Room Suite

Mrs. Jack Farmer, who lives in the corner of the court, the beautiful living room suite which was given away free by The Ledger & Times here Saturday afternoon at 2:30 o'clock in the presence of a crowd which was conservatively estimated at 2,500.

The event took place at the corner of the court, square on a truck provided by Porter Motor Co., and was supervised by Sheriff Carl B. King and representatives of each side of the county, who were selected from the crowd by Mr. King.

They were Ted Howard, of the West side; Walter Blakeley of the North side; Will Lovins of the East side and Con Milstead of the South side. These well known gentlemen supervised the entire proceedings.

Mr. King selected Ernest Kelso from the crowd to pick out a young lady to be the arbiter of their fate and he selected little Miss Dorothy Jean Burks, the pretty little blond daughter of Mr. and Mrs. Amos Burks, near Murray.

For the third straight time the little circulation drive of The Ledger & Times proved to be beyond the publishers' most ardent expectations and \$25 in cash prizes were split by eight other subscribers.

They were \$5 each to Mrs. H. L. Parker, Murray Route 1, and N. F. Lassiter, Murray, and \$2.50 each to Mrs. Autry Farmer, Murray Route 1; Jake MaZan, Murray Route 2; Miss Frances Wilford, Murray; Mrs. L. H. Hill, Hazel Route 1; W. A. Hopkins, Dexter and L. L. Beale, Murray.

Farris, Salmon Buy Parker Bros. Bakery

One of the most important business transactions in Murray in some time was completed last Thursday when Jeff Farris and C. C. Salmon purchased the Parker Bros. Bakery here.

The new firm will be known as the Murray Baking Co. and has under construction already a new plant on North Third street, between Main and Walnut, which will be a model of modern bakery conveniences and appointments. They expect to be able to move to it within the next two months.

Mr. Farris, who is a native of the county and operates the Farris Machine Shop on North Fourth street, is widely known. Mr. Salmon, a master baker, has been connected with the Cottage City Baking Company for the past two and a half years. He will manage the bakery. Mr. Salmon said that there would be no immediate changes in the personnel or policies at the plant.

Mrs. E. Roberts has been engaged as manager of the front office and shop sales.

L. N. Callis Wins Free Trip to Florida

L. N. Callis, local dealer of the Electrolux cleaner, has certainly made a record in salesmanship. Since Christmas he has won district and national prizes of \$75 in cash, a lovely ladies fur coat, ties, shirts, shoes, and now the big national prize of a trip to Florida.

Indeed it is something to sell more of any one thing in the U. S. than any other.

J. IRA FOX MAKES ANNOUNCEMENT FOR DEMOCRATIC NOMINATION FOR SHERIFF

Interest in the coming August Democratic primary is heightened this week with the announcement of his candidacy for Sheriff by J. I. Fox, one of the county's best known and most popular young men and a deputy sheriff of more than 12 years experience. Ira Fox was born in the north-east part of Calloway county, the son of the late Samuel R. Fox. He attended Mallory school as a boy and at the age of 22 was married. In 1907, to Miss Otis Smith, daughter of Mr. and Mrs. J. W. Smith. They have one son, Lee Warren. Being a poor young man but ambitious to make his mark in the world, Ira bought a farm near New Concord on credit and paid for it by his own manual labor on his farm and by laying brick.

In 1914, he accepted a deputyship under sheriff W. A. Patterson. He also served as deputy under Des. Houston from 1918-21 inclusive, two years under Sheriff

TVA IS HELD TO \$742,000 FOR GILBERTSVILLE

Morgan Tells: Dream of Super-Dam on Ohio to Control 3 Rivers

HOUSE BALKS AT STARTING FUND

WASHINGTON, April 28—The House balked today at providing funds for starting construction of a \$112,000,000 dam proposed as the first link in a "super dam" to control floods on the Ohio, Tennessee and Cumberland rivers.

By a vote of 41 to 15, it rejected a request by Representative Pearson (D-Tenn.), for \$2,000,000 to start work on the Gilbertsville dam on the Tennessee. It approved, however, a \$742,439 item for continuation of preliminary studies on the project.

WASHINGTON, April 28—Possibility that the Tennessee Valley Authority may construct a \$300,000,000 "super dam" for flood control, navigation and power purposes across the mouth of the Cumberland and Ohio rivers near Gilbertsville, Ky., was disclosed today to Congress.

The dam, if constructed, would be the largest in the nation, Morgan said. It would be designed to control floods below Gilbertsville to the Mississippi river and from Cairo south to the Arkansas river.

Morgan said that the Tennessee and Cumberland rivers come within a mile and a half of each other at Gilbertsville and are separated only by a gravel hill.

He said the finished project would provide almost 500 miles of "excellent inland waterway," without a lock, extending from near the north boundary of Mississippi, well into Indiana on the Wabash, and Tennessee and Kentucky, up the Cumberland river nearly to Nashville and up the Ohio almost to Louisville.

The measure carries deficiency funds for various departments and \$40,166,270 for the Tennessee Valley Authority.

WASHINGTON, April 28—The House Appropriations Committee favorably reported today a \$79,206,943 deficiency supply bill, cut \$18,828,005 under budget estimates in line with the President's economy drive.

The measure carries deficiency funds for various departments and \$40,166,270 for the Tennessee Valley Authority.

Ham What 'Am

A huge ham weighing 56 1/2 pounds is on display at Tolley & Carson's Grocery this week. It is a ham of the large 18 months' old porker killed by Burnett Brandon this past winter. The hog weighed some 800 pounds when killed. The ham weighed near 100 pounds at time of butchering. It has been cured and is among some 50 other sugar cured and hickory smoked hams at Tolley & Carson's. The selection is one of the best ever collected in Murray and is of only a choice selection.

Mr. Brandon and family have eaten the other ham and state that regardless of the huge size of the ham it was very tender and delectable.

How about a nice ham steak from the heart of this Kentucky famed meat?

W. H. TREVATHAN IN WADESBORO RACE

Candidate for Magistrate Is Known To All Familiar With Problems

W. H. (Herbert) Trevathan, one of the most influential farmers of the North side of the county, today makes his formal announcement for magistrate of the Wadesboro district, subject to the August Democratic primary.

Mr. Trevathan needs no introduction to the voters of that district as he has been active in its affairs throughout his life time and now lives and has so continuously on the same farm on which he was born.

A lifelong and loyal Democrat, Mr. Trevathan taught school for 5 years in this county, in early manhood after graduating from the Murray Male and Female Institute. He served as school trustee for two years, has had experience as road overseer and for almost 30 years has been a member of the board of deacons of the First Baptist church.

No man in that district is better known or higher regarded.

RANKIN TO SPEAK HERE ON POWER

Mississippi Congressman Will Talk Here on T. V. A. Benefits

U. S. Congressman John E. Rankin, Democrat, Mississippi, has agreed to address the Lower Tennessee Valley Association at Murray on the benefits of the TVA power program at a date to be announced later. LTVA officials learned in a telegram from Luther Drafen this week.

Recognized as one of the foremost authorities on waterpower and TVA activities, Mr. Rankin is assisting the LTVA in its efforts to secure an appropriation to start the Gilbertsville dam this year. Mr. Rankin's home is in Tupelo, Miss., one of the first cities in the United States to receive the benefits of the TVA program.

While in Washington, Dr. J. H. Richmond, chairman of the LTVA, invited Mr. Rankin to come to Murray to discuss the power program as proposed for the Tennessee Valley.

"Giant Hen Eggs" Hatch Out Six Little Goslings

Mrs. Sam Wilson, who lives near Wiswell, put a setting of 15 White Giant eggs under one of her chickens - hens a few weeks ago - and when the brood was hatched there were eight Leghorn chicks and six goslings.

The peculiar thing about the affair is that all the 14 eggs were approximately the same size and were considered to be the fruit of the hen. How the duck and hen eggs got mixed no one knows but the little chicks are getting along splendidly with their foster brothers and sisters, the ducks.

Sandburg to Speak Here May 29

"My latest information is that Mr. Sandburg will be in Murray at 9 o'clock Central Standard time, May 19," said Prof. F. D. Mellen, entertainment committee chairman, in reply to the question about Carl Sandburg's appearance at the college. Mr. Mellen also stated that he knew nothing of the content of Mr. Sandburg's address, other than his subject would be "Hyacinths and Biscuits."

1933 SETTLEMENT OF DRINKARD IN CALLOWAY COURT

Hoyt Cleaver Gets \$1,500 Verdict Against R. R.; to Be Appealed

LONG APRIL TERM TO END THIS WEEK

Trial of the action of Calloway county against former Sheriff U. W. Drinkard over 1933 settlement began in Calloway circuit court Wednesday afternoon and when it is completed will wind up the regular April term.

The suit is an involved one and has been the subject of considerable maneuvering on the part of the county, represented by County Attorney E. H. Hood, and attorneys for Mr. Drinkard, Joe Lancaster and E. L. Cooper, Benton, over the past two or three years. The present action is a hearing in equity before Judge Ira D. Smith on exceptions to the settlement filed by Mr. Hood.

It is expected that testimony will be completed sometime today. Judge Smith will take the evidence under advisement and submit his decision at a later date. Mr. Drinkard has appealed 1933 settlement from a decision in Calloway county court before Judge E. P. Phillips.

Hoyt Cleaver, Dexter, won a \$1,500 verdict against the N. C. & St. L. railroad Monday. Cleaver sued for damages on account of injuries sustained about 6 months ago while lifting a bridge cap while an employee of the railroad. He was represented by Attorneys R. H. Hood and Wells Overby. Judge Smith over-ruled a motion for a new trial on part of railroad attorneys and it is understood this judgment will be appealed.

King Wins Verdict
Lowell King won a verdict last Thursday when a jury refused to allow damages in the action brought against him by Brent Atkins. Murray tax collector's alienation of his wife's affections. He had sought \$8,000 and costs.

The jury also brought in a verdict for the defendant in the action of Woodson Henry against the N. C. & St. L. seeking damages for his dog killed by a train.

The action of B. W. McCallin against the Murray Hosiery Mill, seeking damages for damming up a drainage ditch was dismissed settled when it was understood that the mill had agreed to dig Mr. McCallin a well.

Divorces granted this week were Beattie Parker vs. Lloyd Parker; Fred Hughes vs. Mary Hughes; Lewis Swackhamer vs. Florence Swackhamer; Lalah Edmonds vs. Tony Edmonds.

Ruby Wilson won a \$957 verdict against the Woodmen of the World, on a case tried in accordance with instructions from the court of appeals.

The petit jury was dismissed Monday.

M. E. WOOLDRIDGE, JR., KILLED BY CAR

Occured in Nashville Saturday; Was Principal of Tennessee Industrial School

Moses Edward Wooldridge, Jr., was killed instantly when hit by a car in Nashville, Tenn., Saturday night, April 24. He had left his uncle's drug store to get a hair cut when the tragedy occurred.

Mr. Wooldridge was well known in Tennessee education circles. He had resided in Memphis since his marriage in 1935 but returned to Nashville last week to his former position as principal of the Tennessee Industrial School.

Burial took place at Troy, Tenn., April 27 at the family cemetery. Mr. Wooldridge was the only son of Dr. and Mrs. M. E. Wooldridge of this city. He is survived by his widow and baby son, Edward III.

Tobacco Markets Close Tomorrow

Virtually all tobacco has been marketed in the Murray trade district this year and the loose floors will hold their last sales tomorrow. Friday was the date set by the association for the Murray floor to close and the independent floors will close likewise.

Sales the past few weeks have been held only on two days each week, Tuesday and Friday. The sales have been very light and no reports have been totaled. Final reports of this year's market will appear next week.

Training School Children Present Program

The Training School department of Murray State College entertained the student body of the college with a well-prepared program of musical numbers and ballet performances during the regular Monday chapel hour, April 26, in the college auditorium.

The first part of the program was "taken up" with a musical comedy with Robert Cherry presiding in the role of a hotel clerk with Miss Marion Sharborough

acting as the maid. Miss Martha Lou Hays posed as a saleswoman "selling dolls," while Misses Janet Farmer and Naomi Lee Whitnell as dolls. Misses Rebecca Farmer and Doris Church portrayed the characters of a young girl and an orphan home's matron, respectively, who had both run away from the orphanage. Miss Louise Putnam played the part of the hotel porter. The entire skit was interspersed with comedy songs and dances.

One of the most thoroughly enjoyed and most lastingly applauded features of the program was a miniature ballet number entitled "Pierrot and Pierrette," danced by Misses Naomi Lee Whitnell and Janet Farmer, who are enrolled in the lower elementary grades of the Training School.

The last number on the program was a graceful ballet suite danced by three talented young ladies of the high school department of the Training School, Misses Marion Sharborough, Doris Church and Louise Putnam.

Mrs. G. B. Scott entertained her bridge club and a few guests at her home on Friday.

Mrs. Clifford Melugin won the prize for high score.

P. T. A. of Murray High School Will Equip Stage With Gold, Silver Drapes

The P. T. A. of Murray High School has taken as their project for the years 1937 and 1938 the equipping of the Murray High stage with drapes.

The tornorment wings and grand drapery border will be gold silk whipcord and the cyclorama for enclosing stage will be of silver whipcord. This setting will encompass the stage in a wedge shaped, and the rear sections and side sections will operate upon a track and can be drawn back and forth, and the rear sections move two opposite ways from center, as front curtain does. The side sections move back stage or front stage as desired.

The stage will present a lovely setting with the properly equipped lighting effects upon the gold and silver whipcord.

Murray High is very grateful to the P. T. A. for this helpful project, not only for the beauty of it, but also for the great need for it.

The installation is being done very successfully by Mr. Lee and his helpers.

Messrs. W. J. Caplinger, Everett Crane, W. B. Moser, and Misses Lula Clayton Beale, Myra Bagwell, and Mrs. Joe Baker were the committee for the selection of this stage setting.

John Herndon Honored With Birthday Dinner

Approximately 75 friends and relatives gathered at the home of Mr. John Herndon, east of Almo, Sunday, April 25, and surprised him with a birthday dinner.

Mr. Herndon, who was 53 years of age, received several nice gifts. The guests left late in the afternoon wishing for Mr. Herndon many more happy birthdays.

Red Coral Always Prized

It is red coral that is and always has been prized not only for jewelry and buttons, but as a charm to bring safety, health and secrets not revealed to the ordinary person. As ancient Gauls rushed headlong into battle, they trusted their safety to their swords, strength and the "magic" coral imbedded in their shields or helmets. Many Italians and Indians regard coral as protection against the "evil eye." The world's red coral comes from the reefs off the Mediterranean coast of Africa, says the Washington Post, and is obtained chiefly by Italians.

Raymond Arvin, Oldham county, covered 12 acres of land with marl, using 125 tons.

FAXON HIGH HAS
LARGE '37 CLASSRev. E. V. Underhill To Give
Sermon; A. B. Austin To
Deliver Address

School was dismissed Monday because of the funeral of Mrs. Keel, mother of Miss Emma Keel, who is one of our teachers. Our sympathy is extended to Miss Emma and the other members of the family in their bereavement.

Last week was a busy week. Most everyone was working on some part of the commencement program, yet we found time to have a fish supper. It was given primarily for the members of the basketball squad. But the members of the faculty laid aside their dignity (if they had any) as well as their knives and forks and seemed to thoroughly enjoy the buffalo and catfish.

On Friday evening the seniors accepted the invitation of the juniors to accompany them to the Murray College auditorium to hear the Fisk Jubilee Singers. The seniors enjoyed this very much.

As they use to say of prosperity so is the end of school. "Its just around the corner." Final exams are yet to be. But why worry about that? So far as entertainment is concerned the best is yet to be. Look out for our program and then make up your mind like your neighbor is going to, that you can't afford to miss any of it.

"Look Out Lizzie"

The first program of commencement week is the junior play, "Look Out Lizzie," to be given Saturday evening, May 1, 7:45 to 10 o'clock. You don't want to miss seeing Voris Parker as Carrot-haired Hank Blank who is slow as a crippled snail nor Arabella Coo as Lizzie Blink, slower than two crippled snails. Silas and Sary Lang, as played by W. H. Farris and Lottie Mabelle Terry, are a darling, lovable, human old couple. Their spirited daughter, Hazel, Imogene Farris, and her mysterious author, Adon Williams, have a true love that runs anything but a smooth course. Dorothy Guerin makes a perfect nosey neighbor who never "tells nary soul;" and Talmage Burkeen, a local Shylock, is as close with his words as with his money.

Between acts a couple of black-outs will vary the program, and Rex Smith will play his Hawaiian guitar throughout the evening, accompanied by Prentice McCuiston. An admission of 10c will be charged to everyone.

Sunday, May 2, at 4 p. m., the Rev. E. V. Underhill will deliver the sermon.

Monday night is class night. Each member of the senior class will have a part. This is a free program, and one that all and especially the parents will enjoy.

On Wednesday night Mr. A. B. Austin, former dean of men of Murray State College, will deliver the commencement address. Dean Austin is a very entertaining as well as an enlightening speaker.

Do you want to sob?

Do you want to cry?

If you do then do not come to Faxon Friday night, May 7.

Do you want to forget that you ever had a worry or care?

Do you want to laugh for two full hours? If you do then do not fail to see the "Antics of Andrew." The author of this play surely had you mind when he wrote it. Be sure to see it Friday night, May 7. Its the senior. Admission, 10c to everybody.

On Saturday night, May 8, Sid Harkreader and his company of musicians and entertainers will be with us. Sid was formerly of the Grand Ole Opry but now is on the road all together. He has with him the famous one-armed banjo picker, one of the best in the entire south and is a member of this company. If you want to enjoy an evening of wholesome fun don't miss the Harkreader program.

"The Bride Wakes Up" is an entirely new and different kind of Cooking School. It has romance, humor, glamour—it will hold your interest every minute you are in the audience.

For the first time at a Cooking School you will be able to see every single one of the important steps in the preparation of a recipe. Mixing, blending, stirring, baking—all the many and varied points essential to successful cookery are shown in close-up on the screen.

And lots of new and interesting recipes are demonstrated in the model kitchens especially built for this picture.

The picture will be entertaining as well as instructive. The various characters in the picture are portrayed by talented actors and actresses—the picture was made in Hollywood.

You will see real-life situations—similar to the ones you encounter every day—actually re-enacted on the screen. You will understand the problems of a bride and see how she adjusts herself to her new life as a wife and home-maker.

There will be daily gifts for some fortunate ones—and of course free recipes for every one.

Red Cross Will Go To National Meet In Washington, D.C.

The Red Cross will sell tickets for the Capitol Theatre show of next Thursday and Friday, May 6 and 7, to aid in defraying the expenses of delegates from Murray and Calloway county to the National Red Cross conference in Washington in two weeks. Other donations will be greatly appreciated.

The purpose of the delegation going to Washington is to meet with the National organization as well as to carry delegates to acquaint themselves with the Junior Red Cross and to organize such an organization in Murray and Calloway upon returning.

The past disaster is the first time the Red Cross has been really in service in the county and the organization will mean much to Calloway by its representation at the Washington conference.

The Red Cross nursing school and hygiene classes will begin the first week in May. Meetings in Murray will be Friday afternoon and Saturday morning. In Hazel the meetings will be Saturday morning and Monday morning.

The Red Cross nurse from Washington, D. C., will arrive in Murray possibly next week to begin organization. The nurse having charge of this work in Calloway will also be officiated with the Hickman county chapter of Red Cross in the same capacity.

CARD OF THANKS—We, the family of the late Robert E. Clayton, wish to express our appreciation for the many kindnesses shown us in our recent bereavement. We especially want to thank Dr. A. D. Butterworth for his faithful attention for so many weeks, also the Churchill brothers for their sympathetic service, and the many friends who remembered us with flowers. Mrs. R. E. Clayton, Mrs. Clint Ward, Mrs. Halton Hood, Shirley Clayton, Miss Elizabeth Whitnell.

PRESBYTERIAN CHURCH

The financial committee of the Westminster Foundation of the synod of Kentucky is planning to use the local minister, Mr. Maguire, as a speaker in the campaign to raise funds to erect a Presbyterian Church across from the college campus. For this reason there will be no service of the Presbyterian Church during the month of May. Those who have been worshipping with this group are requested to attend the services of another of the churches of the city during that time.

The Westminster Fellowship which meets at the home of Mr. Maguire each Thursday evening will continue to meet until the close of the school year.

There's not a thing to fasten on Jiffons—that's why doctors so thoroughly approve of them. The less you handle babies in dressing, the better. The shirts have nevinad armholes which do away with chafing and binding under arms. Tykes, the training pants, have a double panel front and back to make them extra absorbent, extra long-wearing. Both are made in different fabrics to suit varying climates.

DR. J. H. RICHMOND IS NAMED HEAD OF SPECIAL EDUCATION

Murray Executive is Chosen President of K. E. A. Division

DEPARTMENT FORMED TO AID NEEDY GROUPS

Word was received Wednesday, April 21, from the office of the dean that President J. H. Richmond was elected president of the Special Education Division of the Kentucky Education Association during its regular session on Friday, April 16, in Louisville, Ky. This special department, which was organized during President Richmond's administration as Superintendent of Public Instruction in Kentucky, is concerned with the administration of adult, crippled children and nursery education. Various functions of this special division of the K. E. A. are maintained by the federal government. Homer W. Nichols, of Frankfort, Ky., is state director of the Division of Education.

WESTMINSTER FELLOWSHIP

The wisdom and efficacy of America's billion-dollar armament program is a debatable issue. That will be involved in the interesting topic for discussion at the Westminister Fellowship meeting on Thursday evening.

In order to provoke thought on

both sides of the question, Dr. J. H. Richmond will speak on "Prepare for War to Keep Peace" and Mr. Maguire will speak on "Prepare for Peace to Keep Peace". These two brief talks will be followed by a period of student discussion and questions.

At a Question Box meeting last week, the students enjoyed a lively discussion of such questions as: Is a "white lie" ever justifiable? Isn't capital punishment justly deserved?

How shall you deal with the problem of lending notebooks and theses to those who intend to copy?

MICHIGAN IS FINAL DEBATE OPPONENT

Murray is Undeclared for Year in Varsity Forensics

Winning all decision encounters this year, Murray's varsity debaters closed their forensics season here April 22 with a non-decision encounter with Michigan State Teachers College of Kalamazoo, Mich.

L. C. Litchfield, Fredonia, Ky., and Robert Myre, Paducah, represented Murray State on the affirmative of the "wage and hour" question. Leonard Vaden and John Birchfield represented Michigan. Seniors who will graduate are Litchfield, Neely, and Gentry.

Class of 1937

The class of 1937 is, in many ways, the outstanding class to be graduated from Faxon. In the first place, it is the largest class in the history of the school. In another way, this is a remarkable class for its scholarship. Four boys have averaged "A" for the four years. Wilson Gantt has an average of 97.25; James Brandon, 96.66; Wayne Dyer, 95.00; Rex Falwell, 94.33. There are several other good students and the class average is well above the median of any small high school known. In a third way this class is noteworthy. These students have participated widely in extra-curricular activities from their freshman year. Four have been on debating teams and two have been the winning team of this year; others have been competitors and winners in other speech and scholarship and music events of the county.

The entire community is justly proud of these well-educated and Christian young men and women.

Wilson Gantt

Wilson is the son of Mrs. E. J. Gantt, Casa Grande, Arizona. He has spent most of his school life at Faxon. He started his outstanding career in scholarship in 1930 when he won a trip to Lexington in sixth grade reading. Wilson has been an exceedingly good student as well as an outstanding athlete. He won two medals last year, one for being the best athlete and the other for taking part in more extra-curricular activities than any other student. He was also a close competitor for a third medal in scholarship.

Activities: basketball, '33-'34, '34-'35, '35-'36, captain '36-'37. Softball, '34-'35, '35-'36, '36-'37. F. F. A. reporter, F. F. A. essay contest '33-'34, president F. F. A. '34-'35, '35-'36, '36-'37, F. F. A. essay contest '35-'36, vice-president NRA Society '33-'34, orator contest '33-'34, president N. R. A. Society '34-'35.

Who's Who in The Senior Class of Faxon High School

Leon Beale is the son of Leon and Lucile Beale. He was born April 21, 1918. He enrolled at Almo High school in the fall of '32. He has been a successful basketball player for three years, '34-'35, '35-'36, and '36-'37, and has also taken great interest in softball. He has taken part in the following plays: "Mother Mine", "34-35", "Cabbages or Dollars", "35-36", "Prairie Rose", "36-37", and he will also play an important part in the senior play to be given May 1, entitled "The Eighteen Carat Boob". When a sophomore he took a very active part in the forensics and music events held at Hazel. They were: boys' solo in which he placed second, male quartet, mixed quartet, and boys' glee club. Throughout his high school career he has taken part in many outside activities and has belonged to several societies for one of which he has acted as president. In the music tournament just recently held at Concord he entered in the boys' solo, placing second; in the male quartet, the mixed quartet, and the mixed chorus. In the scholastic tournament held in 1936 he entered in current events and placed second.

Charles Grogan is the daughter of Mr. and Mrs. Ewing Grogan. She was born on January 1, 1919. She enrolled at Almo in '35. She had formerly attended Faxon High school. Clarice has been chosen as secretary and treasurer of her class since her entrance in high school. She has taken great interest in all school activities such as plays, speaking events, etc. The plays in which she has taken part are: "The Wild Flower of the Hill", "34", "He's My Pal", "35", "Cabbages or Dollars", "36", "A Prairie Rose", "36", and "The Eighteen Carat Boob", '37. The speaking events she has participated in are the following: "Oh Captain! My Captain", and "Annable Lee", '34; "The Wheels of Time", '35; "A Leap Year Leap", '36, and "Jane", '37. She has also entered three years in the County tournament in English. She hasn't decided upon any thing definite for the future.

Edward Culver, son of Mr. and Mrs. Lowell Culver, Dexter, Ky., was born March 2, 1917. He has participated in many extra-curricular activities during his high school career. He has spent his entire four years of high school work at Almo. During his freshman year of '33-'34 he was on the baseball team. While he was a sophomore he was in the play "Mother Mine". He also played on the softball and basketball team of '34-'35. He entered in the mixed chorus of the same year. As a junior he played in "Cabbages or Dollars" and basketball team of '35-'36. This year being his senior year he played the main part in the play entitled "The Eighteen Carat Boob". He is a very dependable member of the softball and basketball teams of '36-'37. He has also belonged to many different societies during his high school career.

Murray High Begins Intramural Card of Sports Competition

Coach "Ty" Hollabaugh has planned an intramural sports event for Murray High school athletes and aspirants beginning at the present. A complete schedule has been arranged for each event. The teams are divided into four groups: freshmen, sophomores, juniors, and seniors.

An award will be made to each team gathering the most number of points as well as the individual collecting the greatest number of tallies.

The events beginning at present will be basketball and softball with others following. Boxing will probably be featured later on. At the present the schedule has not been completed as to points awarded in this event.

As usual this intramural contest is entered into with a large number participating in these events. The contests are as follows with their respective points and placing:

the passage of that legislation and in activities which led to the selection of Murray as the site for one of the two institutions established by that law.

During his legislative service, his many outstanding accomplishments include repeal of the obnoxious draining law, exemption of women from poll taxes and the 1926 Nelson law, which was the first step toward eliminating the state tax on farm lands better informed rural influence and arduous labor in the enactment of many other measures for the benefit of Calloway and counties of similar type in the Commonwealth.

He was also active in behalf of legislation for the benefit of rural schools.

Lee Clark was born and reared near Lynn Grove, where he now makes his home, as a Calloway county farmer, close to the soil and close to the people who earn their living from the soil by the sweat of their brow. No one is better informed than he on the people of Calloway county, their problems, their needs, their ambitions and their goals.

For many years he has been superintendent of the Sunday School of the Lynn Grove Methodist church, has been one of the board of Stewards of the church for more than a quarter of a century. He is at present the charge lay leader.

In every sense, he fulfills the highest standards of citizenship, has demonstrated honor and integrity in all his dealings and has merited the highest respect of all who know him. He submits his claims to the voters consideration in the following statement:

To Voters of Calloway County:

I have been requested by many of my friends and citizens of the different sections of the county to offer myself as a candidate for Representative.

I have given this due consideration realizing that many important problems of vital concern to the people of this Commonwealth will be presented at the next session of the General Assembly.

On the account of my past experience as Representative, perhaps I can be of some service to the people of this State and County, in helping to solve the many problems that the State is confronted with.

I shall work and vote on all measures which will help to give this State an honest, progressive and economical Government.

If elected I will be glad to serve in the next State Legislature. Thanking the people for all the past support and soliciting your interest in the present campaign, I am

Yours to serve

IRA FOX ENTERS SHERIFF'S RACE

(Continued from Page One)

Clint Drinkard in 1932 and 1933 and has been deputy under Carl B. Kingins for three years and four months.

Ira is a member of the First Baptist Church of Murray; has served as Sunday School treasurer, and has been a member of Murray Lodge No. 105, F. & A. M. for the past 14 years. He is also a member of the Calloway County Farm Bureau.

Those who know Ira Fox, and who doesn't, have always found him to be on the right side of every public question; a young man of unimpeachable integrity, diligent and faithful in all his relations with his fellow man. His statement to the voters follows:

To Voters of Calloway County:

Acting upon the advice and encouragement I have received at the hands of my friends, I take this method of announcing to you my desire to be your next Sheriff of Calloway county and shall submit my candidacy for the Democratic nomination at the primary election to be held in August.

In making this announcement I realize that no individual has any prior claim save and except his qualifications to the office he seeks. I therefore submit my qualifications (if any I possess) and with a determination to administer the duties of the office fairly and courteously to all—regardless of color or social standing, realizing the responsibility of the office, I assure you I am not being boastful in the assertion that I feel qualified for the position I seek. I believe I can serve you efficiently, having served you as Deputy Sheriff for 12 years, in other words under four different sheriffs. Three years and four months under your present sheriff. How well I have served you I'll leave that for you to say.

I am 52 years of age, old enough to be level headed, young enough to be progressive and hopeful. I was born on a farm in the Concord Magisterial District and lived there all my life until Dec. 1929, when we moved to Murray for our son to enter college. In entering this race it is not the climax of a sudden inspiration but is the result of long consideration. I have always wanted to achieve something in life and be of service to my fellowman. I was brought many years ago that success never comes to a person who sits and waits. I have worked hard all my life to attain success.

I have no rich or powerful relatives to aid my cause, no political boss to back me, no powerful support. My campaign is not fostered by any individual, firm or group, and I assure you that if elected your Sheriff I shall enter upon the discharge of the duties of the office with that freedom which the Divine Father of our being has given us and shall be able to say to the public that there has been no person nor any clique who for selfish motives dictated how I should discharge the important duties which you have entrusted to me. I will at all times be guided by what the law directs and what I conceive to be the best interest of the whole people, and shall persistently and earnestly endeavor to serve them.

I invite you to inquire of my life, and if you are convinced that I am morally suited and I have the capacity and ability to serve you in the office of Sheriff of Calloway County, I assure you that no man will be more grateful for your support and shall strive harder to make you a faithful servant than myself.

I have always been a loyal Democrat and assure you whatever action you may take in making your choice for this office in the coming primary you will find me supporting your nominees wherever they may be.

It is my desire and intentions to see every voter in Calloway county, if possible, and should I fail to do so, I assure you that I shall be as grateful for your support as if I had seen you in person, and shall be to the same extent obligated to you as a public servant.

Trusting that I may have your earnest consideration, and support for this, one of the most important offices within the gift of the people of Calloway County, I am

Gratefully yours,
J. I. Fox

than Herbert Trevathan and his many friends declare that his natural characteristics of fairness and honesty, coupled with his knowledge of the district's problems, eminently qualify him for the responsible position which he seeks.

Mr. Trevathan declares that if elected, he will serve all parts of the district with impartiality. He is thoroughly acquainted with the entire district and lives almost in its exact center. He issued the following statement to the voters:

To the Voters of Wadesboro District:

After strong solicitation and having a desire to serve my district as magistrate I am announcing myself as a candidate for this office subject to the action of the Democratic primary. I feel that I need no introduction to you as I have been a lifelong resident of the district and on the same farm that I was born on. I am sure most of you know me. If you do not ask at some of your near neighbors and you will find someone close by you that does know me.

If I am elected to this office I realize that I will be only one of seven members of the Fiscal court and we can not accomplish any task for our county or individual district except by cooperation.

I promise, if you see fit to elect me to this office, to do my best to make you a fair and impartial officer and use my best judgment to be fair with all parts of the district. Living near the center

Havens Offers A New Sermon Series

"Sermons On The Letter To The Hebrews," is the new series of sermons which A. V. Havens, minister of the First Christian Church will begin at the morning worship service next Sunday.

"God Speaks Today," will be the first sermon in the series.

In announcing this first sermon, Mr. Havens said, "One frequently hears the wistful expression among church people, 'If God would only speak today as he did to Moses and Abraham.' At other times one's attention is directed to some poor soul, such as the one staring himself to death saying, 'The Lord told me to fast and I will not eat until I hear the Lord telling me to.' This," Mr. Havens continued, "gives rise to the questions, 'Does God speak today as he did in biblical times?' and 'How did God speak in biblical times?'"

"This sermon," Mr. Havens stated, "will seek to present a rational approach to the 'voice of God' and an understanding of it, devoid of superstition."

The service will begin at 10:45. Special music will be presented by the chorus choir.

There will be no church service Sunday night, since the minister will at that time deliver the baccalaureate sermon at Kirksey.

The Sunday School, led by Supt. George S. Hart, will meet at 8:30 Sunday morning.

The Junior Christian Endeavor Society will meet Sunday evening at 8:30.

Open House for all young people

of college and high school age will be held Sunday afternoon at 5:45. The Young People's Society of Christian Endeavor will follow at 6:30.

The Fireside meeting of the young people will be held Tuesday night at 7:30 at the church.

Wednesday night at 7:15 the Mid-Week Meeting will be led by Preston Holland. The music sponsor will be Miss Neva Gray Langston.

**Dr. Richmond Honored by
University of Louisville****Trustee-Lauds Chief
As Degree Is
Conferred**

Yancey Altshuler, member of the Board of Trustees of leadership of the University of Louisville, paid tribute to the distinguished leadership of President James H. Richmond in presenting him to Dr. A. Kent, president of the University of Louisville, for the honorary degree of Doctor of Laws, which degree was conferred at the joint program of the Kentucky Education Association and the University of Louisville on Friday evening, April 16, 1937.

The remarks of Mr. Altshuler follow:

"Mr. President: I have the honor of presenting to you James Howell Richmond, for the Degree of Doctor of Laws. As State Superintendent of Education, he rendered most distinguished service. Through his inspiration and leadership, the teaching profession in Kentucky was united in a study of the educational problems of our state. The results of this survey were presented to the people of Kentucky in such a convincing and effective manner that it resulted in the passage of an entirely new School Code in 1934. By this act alone, Kentucky advanced from a place among the most backward states to one among the educational leaders.

"It has been acclaimed throughout the nation as a model for others to follow. Those who know Kentucky and its problems, can best realize the extent to which this was a triumph for the educational statesmanship of James H. Richmond. The University of Louisville delights to join others in Kentucky, and throughout the

United States, in honoring his unusual contribution to the cause of Education."

Others who received honorary degrees were: Dr. Charles H. Judd, dean of the school of education, University of Chicago; President Frank L. McVey, University of Kentucky; President W. J. Hutchens, Berea College.

Dr. Judd delivered the principal address.

METHODIST CHURCH NOTES

Sunday, May 2, 1937

At the morning service we honor the older people of the congregation in a special service for them. These will be honored at the Lord's Table in that they will be served first. Please see that the older members have transportation. At the evening hour Rev. E. R. Roach, our fellow pastor at Murray, will preach for us. Rev. J. Mack Jenkins, pastor, will be at Lynn Grove to their baccalaureate sermon for Lynn Grove High School.

Every member of the official board is expected to be present at the morning service and also at the board meeting on Monday night, May 3.

The regular meeting of the Woman's Missionary Society on Tuesday, May 4, at 2:30. Every woman of the congregation should be a member of the missionary society.

The second quarterly conference will be held on Monday night, May 17, and the stewards very much desire a full report for that conference.

Church-school at 9:30, with the hope that every one will be present on time.

Children and young people meet at 6:45. J. Mack Jenkins, Pastor

**TREE PLANTING IS
PLANNED BY CCC**

1,400,000 Seedling Pines To Be
Started; 640,000 in Calloway
County

All of the CCC camps of the Soil Conservation Service located in Western Kentucky are at the present time intensely engaged in a tremendous tree planting program. Over 1,400,000 young seedlings are being planted, and approximately 900 acres of badly eroded land is being reforested. About 640,000 of these trees are being planted in Calloway county, according to Wallace G. Smith, superintendent of the Murray camp.

Pine is being planted extensively in the Jackson Purchase region for the first time, Smith said. It has been chosen for the purpose because of its ability to grow rapidly on dry, worn-out sites and for the value of its products. The species being planted by the local CCC camps at Paducah, Murray, Mayfield, and Clinton are Short Leaf Pine, Virginia Pine, Loblolly Pine and Pitch Pine. Black Locust is still being planted extensively in the gullies.

The planted areas are unique in that contour ridges, that is, ridges that extend on the level around the slope, have been thrown up with a plow on all areas where plowing is possible. The contour ridges are spaced six feet apart and the young trees are planted on them. In this manner further soil and water loss is prevented until such a time as the young trees become established and adequate ground cover is developed.

Smith states that the planting will be completed prior to May 1.

**All-Southern After Dinner Speaking
Title Is Won by James Parker Miller**

Son of Mr. and Mrs. J. R.
Miller, Hazel, Wins An-
other Fine Honor

JACKSON, Tenn., (Special to the Ledger & Times)—James Parker Miller of Hazel, Kentucky, living up to the reputation of famous West Kentucky after dinner speakers won the all-southern after dinner speaking title in the Golden Ballroom of the Andrew Jackson Hotel in Nashville, Tennessee, before the Association of the Southern Teachers of Speech. Four hundred people all interested in speech from the entire nation heard six contestants who had survived the preliminary rounds. The joke on a fellow Kentuckian, Ollie James, when speaking before a large assembly of farmers trying to convince them that he was too a farmer and understood their problems said very vigorously in a speech at Benton, Kentucky, "Why my fellow farmers I too am one of you farmers, I was raised between two rows of corn," and a Marshall county Republican rose up and said, "A pumpkin by gum," is one of Miller's favorites, given him by the editor of this paper.

Mr. Miller has also had a very successful season this year debating with Union University and has debated with teams from 14 states and has traveled over 7,000 miles. The tournament at Nashville was sponsored by the Tau Kappa Alpha Debating Fraternity and the All-Southern Association of Teachers of Speech at Vanderbilt University Tuesday through Saturday of the week of April 19.

Miller is a well known debater and orator and preacher of the Church of Christ in this section of the country. He is the son of Mr. and Mrs. J. R. Miller, Hazel, Ky.

Outstanding Citizen, Life-long
Resident Here, Served 1930-33
Inclusive

Esq. D. P. (Plenty) Farris, who served as the representative of Murray district, on the fiscal court of Calloway county from 1930 to 1933, inclusive, today makes his formal announcement for that office, subject to the action of the Democratic primary, Saturday, August 7.

"Mr. Farris, who has received the solicitations of many friends to make this race, said that if the people felt he was the man they wanted he would deeply appreciate their vote and influence, that he had no promises to make and that he stood on his record made four years ago. Mr. Farris declared that, if elected, he would look after the interests of Murray district but that he would not be unfair to other sections of the county in doing so.

"Squire Farris was born and reared within a mile where he now lives, almost in sight of the court house and since young manhood has been a strong and wholesome leader in his community. He has filled many responsible positions with high credit to himself and to the benefit of those who entrusted him with their responsibilities. At one time he successfully filled 13 positions of trust at the same time.

of College

As a result of a standing vote taken Thursday morning, April 22, on the establishment of a Reserve Officers' Training Corps at Murray State College, among the male students of the college, 100 votes were cast in favor of the proposal and 50 votes opposed it, according to Cecil Gentry, president of the Student Government of Murray State.

The vote was taken on the ROTC question as a result of several months' discussion for and against the movement, in order to ascertain whether the male contingent of the college desired the establishment of a local unit as a voluntary measure.

The vote results have been turned over to authorities for final decision.

**FISS SINGERS
APPEAR AGAIN**

Fisk University's Jubilee Singers, Nashville, Tenn., reputed internationally, appeared in the Murray State College auditorium under the sponsorship of the International Relations Club of the college Friday night, April 23, and gave a classic rendition of spiritual hymns.

President Luther Goheen of the sponsoring organization welcomed the Negro vocalists. Prof. W. M. Caudill, faculty adviser for the club, aided in arrangements, and Miss Irene Nicholl, secretary, had charge of the ticket sales.

This was the second time the world-renowned vocalists have brought the spirit of the old South to Murray.

Keen Johnson at Murray College KEA Breakfast

In his editorial column in the Richmond Daily Register, Lieut. Governor Keen Johnson made the following comment on his attendance at the breakfast given by Murray State Teachers College during the Kentucky Education Association. Mr. Johnson was at that time the acting governor of the Commonwealth. His comment follows:

"Accompanied by boss madam, attended Murray State Teachers College breakfast. Pleasant occasion. Good humor and fine spirit prevalent. Dr. James H. Richmond, new president of school, supplying enthusiastic, intelligent guidance for institution that is providing educational opportunities for western Kentucky. In brief talk commented upon obviously improved morale of school teachers."

ers. Restricted financial aid for education which came with depression lowered morale of educators. Improved conditions generally, the most generous support of public schools from state funds in history of this commonwealth, has revived enthusiasm of those who teach. Enthusiasm is requisite to success in every endeavor."

ANSWERS D. M. FREELAND
Pontiac, Michigan
April 23, 1937

Mr. Joe T. Lovett,
Editor Ledger & Times

Dear Joe:

This is an answer to Mr. Freeland's letter to explain, if I can, a few things that he doesn't understand.

Mr. Freeland offers an apology for what he is going to say before he said it. I think that an apology is not necessary, but if he thinks so I will accept it because he meant nothing by what he said. He merely knows nothing about what he is talking about.

Mr. Freeland, it seems that you do not think much about the people of Pontiac, and for no good reason I presume. You have misrepresented the people of the town very badly. They are sane, respectful and law abiding people. You said that they were the type of people that are in Hopkinsville. It seems that you do think much of the place, after all that is one of our Kentucky towns, and I think that it is a nice little town, disregarding the fact that there is a bug house there. They have them everywhere. Now the difference between Dearborn and Pontiac is that the crazy people of Pontiac are locked up, but in Dearborn they run loose on the streets.

was paid a fair wage for it. I think that I know what this strike is all about, but it is very evident that you don't. Now, my dear friend if you don't think that the Union is strong come over to some of the shops in Pontiac and find out for yourself. They got what they asked for so what more is expected?

I am sorry but I do not know the cost of producing an automobile, but you might be surprised to know how low it is. There is plenty of profit made and don't think that there isn't. Look what the President and all the high officials of the General Motors get. Twenty-five of these men get almost as much as they pay all of the laborers in this shop, so there is bound to be some profit to it. Why not share it with the laborer? Another thing for you to do is to consult Webster on the meaning of civil. I do not think that you are thoroughly clear on the meaning of the word.

You are not clear on the facts about being on other people's property. I will agree that this is unlawful, but has never been forced in any of the strikes. There are property rights, but are you aware of what Governor Murphy said. He said: "Man's rights comes before property rights." In that case property rights are disregarded. The company where I am employed did not ask the Union to leave the property. Instead they went into a conference and settled it very quickly. Now if the Union is wrong why did the company settle this so quickly? Here is the reason. They didn't have any argument that would stand up, so they just had to come across and give in just like they have on most of the previous strikes.

Did you notice the stand the Governor took on this situation? He was for the Union or I would think so anyway. He said that all the men should belong to the Union. Did he let the National Guards set in to the Chrysler strike? No, he did not. He said when they did a thing like that they would have to get a new Governor to do it. He now has a bill in the Michigan State Legislature for a minimum wage also a maximum hour, and also speed of production. Did you know that? What does all this mean? I suppose that you couldn't guess.

The President is even behind the working man, and when you say working man that is mostly Union men.

Mr. Freeland I guess you doubt all these things, but nevertheless they are facts. Mr. Freeland, do you work in shops or not? It seems that you do not by the way

you talk. You are against the working man it seems, so I can't see how you could be one of them. I notice that you live in Dearborn. I suppose that you work at Ford's, if you even work in a shop. I noticed that he would pay \$10 a day before he would recognize the Union. Is he paying the \$10 a day yet? If so I haven't heard about it. Of course I could be behind the times. After all there is something to consider besides the amount of money you make. It is the condition that you have to work under to make it.

The Union may be a bad thing but it has a lot of good people in it who think it is O. K. and are getting more every day. They have accomplished quite a bit in the last few months and expect to do a lot more. Come over and see me some time and I will tell you all about this situation.

If you don't like the word "strike" I will give you another name for it—a demonstration—that is what they call it instead of a strike anyway. Men have awakened to the fact that they are men instead of mice and have begun to stand up for what they believe. If you ever noticed it capitalists stick together, so why not the laborers do the same thing. The big shots are one group and the little men are another.

By the stand that you take you must be a financial wizard or a big politician—that is in line with the big guns. Say when was the last time you were on a big party with Henry Ford or Alfred P. Sloan?

Now all these fine Lassiters that you know it is a shame that you don't know me. I am one among the best ones and do not sit down on the job without a cause. All the Lassiters that have guts to stand up for what they believe is right are my relatives, but the ones that haven't they are not. I don't even know them.

Respectfully yours,
Artelle Lassiter

THE KEA AT LOUISVILLE

THE KEA at Louisville was a great gathering and the city was full of people and hotels overflowed. The cause of education was benefited as the subject was discussed from all angles and from all sections of Kentucky. Many out-of-state attended and lectured. There was very little political wrangling as the present administration has provided more money for education than ever before.

Dr. James H. Richmond is recognized as a great school man and is a real leader in educational circles.

Murray State is fortunate in having him and in speaking of Murray State we mean the college that belongs to the people of Kentucky and not alone to the town of Murray, but we assure Dr. Richmond that all the people of Murray are 100 per cent behind him and glad to have him finally located in a comfortable home and wish him contentment and expect the college to grow under his leadership.

Oh well, all or I believe the great majority were opposed to the destruction of the lower Tennessee valley and do not agree with those who do not know the valley and what it will do in cutting this section from Kentucky and in making it more inconvenient for those who live east of the Tennessee River to attend Murray State.

This problem is one that concerns many and all may expect strong discussions from those interested.

Benefits of The CCC

Last week one hundred young men from Pulaski County were accepted for placements in CCC camps. Those who are to serve in

this branch of government service are from needy families. They will draw from the government \$30.00 a month, \$25.00 of which will be sent to their parents. In the past 100 years hundreds of families in this county have been clothed and fed from this small sum received each month from CCC enrollees.

President Roosevelt in a message of greeting read in 2000 Civilian Conservation Corps camps last week said:

"I am sure that the nation is proud of what the Civilian Conservation Corps has accomplished in affording new opportunities to young men and protecting our natural resources. You men of the Civilian Conservation Corps have helped the nation. In return, you have benefited physically and spiritually."

The message was sent in observance of the corps' fourth anniversary. Not only was it a message of congratulations, but one of promise—promise of results to come from the physical and spiritual benefits.

No relief organization is so free from criticism as is the Civilian Conservation Corps.—Somerset Journal.

LYNN GROVE GIRL GETS MUSIC HONOR

Ruth Elaine Crawford Chosen Outstanding Music Senior at Murray College

Miss Ruth Elaine Crawford, Lynn Grove, and Harwood Tilton, Covington, Ky., both seniors at Murray State College, were announced today as "the most outstanding graduating students" of the Murray State music department for 1937, with their names to be inscribed on a plaque maintained by the Vivace Club.

The plaque was contributed to the music department in 1934 by the Vivace Club, the foremost musical organization on the campus. Each year the names of graduating musicians who have done outstanding work in the department of music are placed on the plaque. As the honor is limited to one boy and one girl each year, the award is a worthy and coveted distinction.

Estelle Hayes was rushed to the Clinic hospital Friday night suffering with appendicitis but was better within a few hours and was able to return to her home Saturday without an operation being necessary.

Mrs. Hafford Carlton of Detroit, Mich., and Miss Willie Mae Paschall spent Monday as the guest of Mr. Wavel Curd.

Mrs. Ina Nesbitt and daughter, Myrtle Mae, who have been visiting in Nashville, for several weeks, returned Saturday to their home at Midway.

Mr. and Mrs. Fred Enoch and children spent Saturday night as the guest of Mr. and Mrs. Wade Enoch of near Murray—Rose bud.

First Plows of Tree Branches The first farm plows were made of crooked tree branches and used by man power.

Stella Gossip

I attended the 'play' Saturday night in the large, grand auditorium of Kirksey high which was fine. Acting was perfect, but voices were almost inaudible at times. Course I am a "loud speaker."

Half dozen girls counting the colored one, and seven boy actors counting my gifted grandson, Richard Franklin Mills.

Devotee Bridges of Stella and Fay G. Stokes of Farmington enjoyed a regular auto week on the bluff at Walter Perry's. I suppose "one" enjoyed the road and then the other, then they both hogged together.

A goodly number heard Luther Pogue's sermon at Coldwater Church of Christ Sunday on "Influence, What Have You in Your Home?" Eleven were in the children's Sunday school class, 16 in old folks class and 37 in young folks class. Besides 40 others.

Awful embarrassing to the deacons for an old "coger" to run his hand into his britches pocket and fish out a quarter or nickel out of his pocketbook to put in the offering. That's all I want to know.

Joe Lovett and his "bunch" attracted a vast multitude Saturday afternoon, of tickets and premiums of the great Ledger & Times campaign which came to an agreeable end.

I said: "Joe, you talk slow and loud." He did and the wind from the West blown 'a gale'!

When a President's time expires he is only known afterwards as Wilson, "Ted," Taft, Coolidge, Hoover, and so on. If a guy is elected judge then he goes by the name of judge forever. Not by me I say Luke, Edd, Suttie, etc. I don't never even mister or Rev. anybody. Get me?

"Fine Bluff Muddlertie" called on "Eagle" in passing by to Coldwater. Once he got on the firing line and took a shot at "Eagle". Then "Eagle" fired both barrels at him. Then we buried the hatchet!

Yes "Kentucky Bell", my rheumatic knee is O. K.!!

At 77 he was quite a sinner, at half an ox one day and then went home to dinner.

At the funeral "feet first and all" shake hands with all the relatives.

Dat skelter light on me won't never fly no mo—"Eagle"

Murray Route 1

Here I am again on this old blue, cold Monday.

The farmers have been very busy.

Mr. and Mrs. Anell Griffin, Mrs. Pauline Atkins visited in Paducah Monday.

Mr. and Mrs. Arthur Flippo have purchased a new radio.

Miss Wills Dean Atkins visited Miss Dotty Lou Miller over the week end.

Rosell Story visited Mrs. Hoyt Jones of Murray, Saturday.

Mr. and Mrs. Carmon Outland of Paducah visited Mr. and Mrs. Tommie Atkins Saturday night.

Guess I had better ring off but will be with you next week.

Coldwater Junior High School

By Robert Carlton

The fact that there is only one week of school left strikes us in the face with almost the force of a slap.

We wish to take this opportunity to extend our best wishes to the school board, trustee, W. P. Siedel, and Supt. M. O. Wharrior, whose efforts made our high school possible.

We are grateful to the citizens of Coldwater for their cooperation, without which no school can be a success, and to Mr. Jennings Turner, who has aided us in every way possible.

Our thanks also go to Mr. Joe Lovett and his able staff, who have kindly printed our news each week and to the neighboring high schools who have been very courteous in our associations with them.

Final exams will be given Monday, Tuesday and Wednesday, which probably accounts for the heavy studying of many of the students.

The following students will escape final exams due to making high averages throughout the year: Nora Coleman, Irene Morgan, Emily Waldrop, Frances Fuqua, Robert Carlton, and Supt. N. O. Kimbler, who was elected president of the KEA for 1937-38.

Mr. Kimbler, whom I had gone to hear speak that afternoon, I knew, was strongly opposed to women's smoking.

I attended that large Murray breakfast, but I didn't get much breakfast. Other college breakfasts had fallen under expectations. Ours did not, so we had to wait some time for tables to be set up, and longer for any food at all. But we enjoyed the association and the glass of ice water.

I enjoyed the impressive ceremony when Dr. Richmond was given the honorary degree, along with three other outstanding educators. "On again, off again, Gosh again Flanagan" was attending strictly to his own business that time, Mr. Critic—Alf.

"Financing Your Future" Is Title of Address Before B. and P. W. Club

Miss Erie Keys Tells Business Women how to Budget Income to do Most Good

An interesting study of finance for the business woman was given by Miss Erie Keys at the regular supper meeting of the Business and Professional Women's club at 7 p. m. last Thursday night in the group's club rooms.

Hosts at this meeting were Mrs. Cleo Gillis-Hester, Mrs. B. F. Berry, Mrs. Grady Miller, and Mrs. John Ryan. A note of cheerfulness entered the meeting when it was discovered that the new decorations and appointments of the club were completed.

"Mother's Night" is the theme of the next meeting which will be held the first Thursday in May immediately preceding Mother's Day. Mothers of all members have been invited to attend.

"Financing Your Future" was the title of Miss Keys' address. Said Miss Keys, "think of the things that must be included now that were not even thought of when the business woman of early days started out to earn her bread and butter."

"She didn't have to figure how to get out of her dollar enough to cover the upkeep of a car, manage a permanent wave twice a year, and squeeze out enough for a marcel or a finger wave every week or two."

"But a business woman wouldn't be a business woman—at least successful one—if she couldn't wrestle with and conquer the problems

that arise, financial and otherwise. The best way that has been found to make our dollars behave and give us what they should is through systematic financial management.

The first step is the formation of a budget. To mention a budget usually starts a tempest in a teapot. You do not have to be a slave to any budget; but out properly budgeted there is no slave to your budget. It would teach you to get the most value for your dollar, and it should help answer the question, 'Can I afford it?'

To my mind a business woman's budget should be very flexible and should be made to suit the needs of the individual. Economic experts have worked out certain divisions and certain relative percentages. These are splendid as a basic principle upon which to work, but there is no cut-and-dried budget that will suit everyone.

Too many important questions are involved: one's position in business; in the social world, one's tastes, environment, ambitions and obligations.

This budget which I have prepared for you is one frequently given by economists. This is for a business woman without a family. The percentages are well worked out, perhaps they will meet your needs exactly; perhaps not. But in any event, in making your budget you can use these figures as a guide.

"Naturally as one's earning powers increase, the percentage spent for clothing, for advancement, for operation and for saving and investments increases, while the

amount spent for food remains practically the same.

The first step in making out a budget is to list your known income for the year. Then make a careful study of last year's expenses. Your check book stubs will give you most of the desired information. You will find certain fixed expenses, such as insurance, taxes, installment payments, club dues, actual living expenses and a few other slated items.

Carefully analyze your last year's expense. Did you spend too much for clothes or lunches? Did you fail to provide for a vacation?—and—very important—did you save a fair portion of your income? If you cannot say 'yes' to that last question, you will need to make some drastic changes in your manner of spending, subtracting from one item and adding to another. For saving is the most important feature of the business woman's financial program.

After you have analyzed your expenses, list all your fixed necessary expenses. Find what they will amount to during the entire year. Then set aside for these expenditures, one-twelfth of that amount each month. Some of the times will be paid monthly. Others, such as insurance premiums, will fall due at longer intervals. If you wait until they are due and have to borrow the money or take it all out of one month's salary, it will interfere with all your other regular expenses. But if the necessary sum is accumulated monthly, it will be ready when you need it.

"Most people find it more practical to keep these monthly amounts in a SAVINGS ACCOUNT until needed. Then they are out of the way of temptation."

After the fixed expenses are listed and arranged for, each individual must decide for herself what is the best distribution of the balance. She may have to leave out or cut down one item in order to increase the percentage for something she considers more important.

On one point there should be no mistake. No matter how small the salary, some portion should be allocated to SAVINGS. The smaller the salary, the greater the need. Otherwise, unexpected sickness or emergencies arise, there will be nothing to fall back upon, which is a tragedy indeed."

CARD OF THANKS—We wish to thank our friends and neighbors for their help and kindness shown during the sickness of our wife and mother, Mrs. Martha Estelle Martin. We especially thank Dr. Jones for his faithful and untiring efforts. We wish to thank everyone for the lovely flowers which were presented to our mother. —Father and children.

Kirksey M.E. Church Plans Family Day For Sunday, May 2

Plans are under way for a record attendance at Sunday School at Kirksey Methodist Church on Sunday, May 2. Sunday School opens at 10 a. m. and a special presentation of the regular Sunday school lesson has been arranged. In helping to make this a "Red Letter Day" in the history of the Sunday School, prizes have been offered as an inducement to take part in the occasion.

One dollar cash will be given to the oldest person in attendance. One dollar will be given to the mother of the youngest person in attendance.

One dollar will be given to the person who presents the most new pupils for enrollment in the Sunday School.

A nice art calendar will be presented to every family that attends one hundred per cent.

A nice Family Bible will be presented to the largest family, one hundred per cent in attendance, counting parents, children and grandchildren, and who will sit in a group in the morning assembly.

The prizes are open to all persons and families who will attend regardless of church affiliation. Come and bring your friends to Sunday School.

Cedar Knob News

I told you last week I would be back again this week, and here I am trying to tell you a few happenings from this part of the country.

We are having some fine weather and lots of plowing has been done. "Uncle Bud" Todd has his cotton ground broken up for planting the first of May and is now preparing for a big corn crop on the farm of Johnnie Simmons.

Mr. and Mrs. Houston Clark of Detroit, Mich., is in for a few days to visit his parents, Mr. and Mrs. Cecil Clark of Murray Route 4.

Mr. and Mrs. John Richard Henderson's daughter, "Bertie Ann," is very ill with tonsillitis and is under the care of Dr. Houston.

A barn raising was held at Elmo Burton's Tuesday, April 20. Those from this community attending were Mr. and Mrs. Cleve Lax and children, Velma, John and Bettie Joe; "Aunt Sue" Housden, Mrs. Vala Hughes and Mr. and Mrs. Bill Simmons. The early helpers were Mrs. Mavis Allbritten and Miss Susan Lax.

Mrs. Mary Wisheart, Miss Annie Willis and "Aunt Fannie" Wisheart spent Tuesday afternoon at the bedside of Mrs. D. E. Lassiter Thursday afternoon. Mrs. Kittie Simmons and daughter, Pernie Mae and Lucille were also visitors in the home. Mrs. Lassiter is confined to her bed very ill with inflammatory rheumatism. We are sorry that she is ill and wish for her a speedy recovery.

Mrs. Guthrie Osborn and son, Bobby D., Joe Max Hutson, Bill Edd, Hendon, Dickie Allbritten and Eva Mae Williams are improving from measles.

Mr. and Mrs. Johnnie Simmons spent Friday evening with Mr. and Mrs. John Freeland. Mr. Freeland, who has been ill, is slowly improving.

Mrs. John Duncan and Mrs. Rob Duncan assisted Mrs. Bill Simmons in quilting Wednesday afternoon. Hattie Louis, who spent the winter and part of the spring months in Detroit, Mich., returned home Thursday.

Mrs. Ruby Dick and daughter, Mrs. Aylan McClure visited Mrs. Rena Hatfield Thursday afternoon.

Mrs. Hatfield has been confined to her home with illness.

Mrs. Lillie Freeland is on the sick list this week.

E. H. Simmons and "Uncle Jeff" Stubblefield, who had a good chance for measles now think they will escape the disease as it has been 26 days since they came in contact with them.

Mr. and Mrs. Robert Bottoms of Paducah, Mr. and Mrs. Herman Boggess and daughter of Paducah, and Paul Dunlop were Sunday guests of Mr. and Mrs. Tom Sprouse of near New Providence.

I love a country kitchen. Where the sun pours in each day; The plant upon the window sill. With blossoms red and gay.

The kettle and the shining pans. The eight-day clock so old. The pail of water from the well. So sparkling, clear and cold.

I love it's friendly atmosphere. The cushioned rocking chair; The spectacles that mutely speak Of aged eyes somewhere.

The woodbox filled at evening. The lamps well trimmed and bright. That send their cheerful rays far out into the deepening night.

The braided rug upon the floor.

The table neatly spread At mealtime with its wholesome fare. Its milk, its homemade bread. Apartment houses have no charm. Instead, I'd rather be In my big, country kitchen here Where God has need of me.

I will be going as my letter is getting long.—Ky. Bell.

**PROSPECTS GOOD
FOR EARLY START
ON GILBERTSVILLE****Actual Construction May be
Begun This Year Inferred
by Luther Draffen****WREATH SENT FUNERAL
OF SENATOR BACHMAN**

Prospects for an early start on the Gilbertsville Dam were regarded here as much brighter following a report from Luther Draffen that officials in Washington believed funds could be obtained for starting actual construction this year.

Draffen has been attending the National Rivers and Harbors Congress in Washington as a representative of the Lower Tennessee Valley Association.

U. S. Senator Alben W. Barkley wrote officials here this week as follows: "My conference with the President was most satisfactory, and I think it will work out along the lines which we discussed." Mr. Barkley, in compliance with the request of the LTV, asked President Roosevelt for an increase in the proposed appropriation for Gilbertsville and, in any event, for an authorization that the sum be definitely designated "for construction."

Dr. A. E. Morgan, TVA chairman, told Draffen that funds could be used economically for starting construction of the project. Draffen, a member of the Rivers and Harbors Advisory Board, sought the cooperation of the organization in obtaining the appropriation for the Tennessee River dam. He said initial construction could be justified as a part of general relief program, was well as for its extreme importance for flood control.

Dr. James H. Richmond, chairman of the Lower Tennessee Valley Association, authorized the sending of a floral wreath for the funeral Monday of Senator Nathan Bachman, at Chattanooga. Mr. Bachman, a loyal supporter of the TVA, had always cooperated with the LTV in its efforts in the lower valley.

**Ledger & Times Extends Invitation
To Fascinating New Cooking School****Entertainment and Instruction
Linked in Free Pro-
duction Due May 17,
18, 19 at Capitol**

There is always something new under the sun.

Entertaining proof of that statement will be presented May 17, 18, 19, by The Ledger & Times, which is bringing to the Capitol Theatre a motion picture that pioneers in fresh, stimulating treatment of the oldest and most important subject in the world—homemaking.

Long ago the cooking school graduated from a curiosity to a popular necessity in many parts of the country. Now it has graduated again, leaving this time into Hollywood stardom.

For this is no routine lecture, no methodical demonstration which the Ledger & Times will give to the women of the community for three days without charge, starting May 17.

The Ledger & Times takes a genuine pride in being among the first to sponsor "The Bride Wakes Up," a full-length feature picture, directed and filmed in Hollywood, with a competent cast to interpret the appealing story.

Women young and old, and men too, will appreciate the humanness of this romantic screen story, in which home problems have been approached from an entirely new angle. Entertainment, profitable instruction, humor and romance are woven deftly into a production which abounds in ingenious camera studies and remarkable close-ups. The camera has not only captured the cooking school, magnifying its benefits, losing none of its hospitable, friendly charm.

To fact, there are close-ups of a new chocolate layer cake and a lemon chiffon pie that are destined to send the hungry audience hustling home to duplicate the culinary triumphs. Free recipe sheets each day will provide added incentive.

Experienced housekeepers will thrill to the adventure of the winsome bride, whose husband begins to feel well when he finds the can't-even-boil-water. But this bride is blessed with resourceful determination, even though the faithful servant in her girlhood home made every effort to spoil her.

What happens after the honeymoon is over? What happens when the bride becomes aware of the

critical-gaze of some of her husband's old sweethearts, who are not apt to forget heavy biscuits in a hurry?

To unravel the mystery in advance would be to rob this clever tale of its novel approach. However the audience is due to share a series of neighborly food consultations, in which expert home specialists reveal the secrets which govern the perfection of flaky piecrust, fluffy cakes, molded icebox marvels, appetizing salads and correctly roasted meats.

Never has the wizardry of the camera brought a subject more closely and naturally to the watchers.

It will be a real cooking class, just as though the model kitchen were right on the stage, with the exception that the view actually will be more complete for each person in the audience. The guests of The Ledger & Times in the back rows will share the same close-ups of the busy mixing bowl which are being seen in the front of the Capitol.

When the graduated measuring spoons drop their level, portions into the bowl, when the wooden spoon is creaming the shortening, and the dry ingredients are being sifted, each step of that measuring, blending and mixing process will be pictured faithfully through a series of fascinating close-ups.

This will be no direct-from-the-oven sample of speed or trick photography, but a thorough, real-life camera study of scientific methods, designed to be helpful, even while the story entertains.

So realistic is the atmosphere of the modern kitchens, with their gleaming, convenient equipment and cheery informality, that the audience really feels part of the scene. Soon the deft worker seems to be talking directly to each person in the theatre, rather than to the puzzled bride.

Every listener will find a harvest of practical ideas among the suggestions for more efficient homemaking, covering daily problems as laundry, refrigeration, up-to-date entertaining, beauty secrets, news of modernized home equipment and tips on making these mechanical servants yield the highest degree of usefulness.

Not only will the picture be free, but there will be a host of daily gifts and surprises arranged by the

**LEGION BUILDING
TO BE DISCUSSED****Murray Post Plans Home in Mur-
ray; Regular Meeting
Next Thursday**

Plans for the post's home will be discussed Thursday night of next week at the regular monthly meeting of Murray Post No. 73 of The American Legion. A large crowd of Legionnaires and ex-service men are expected to attend the meeting.

The building committee, which was appointed at the April meeting four weeks ago will make its report and additional pledges are expected to augment the \$750 in cash and many days of work which were signed on April 1.

Membership in the Legion is growing steadily. Adjutant Harry Sleds said this week.

The post owns a lot on Vine street in South Murray, between Sixth and Eighth streets.

Ledger & Times and participating firms, who are joining forces to make the unusual entertainment available to the community.

Reserve the dates May 17, 18, 19 on your calendar now and plan to join your neighbors in the Capitol Theatre.

**115 White Leghorns
Net Owner \$150.00
In 6-Month Period**

Raymond Starks, in northwest Wadesboro district, has 115 White Leghorn hens that have laid 13,000 eggs in the past six months. Mr. Starks sold these eggs for \$75.00. The hens ate \$125.00 worth of feed. This left Mr. Starks \$150.00 above feed cost or \$25.00 per month for his work during the six winter months that he was not in his crop.

Mr. Starks has a Kentucky type house that he built with old lumber salvaged from an old house. It is as comfortable as a new one and that is one reason his hens did so good.

Poultry can be made to supplement the farm income if one will make the poultry business as permanent as other farm enterprises.

**Farmers Listing Sheets
Off for Approval**

Listing sheets from Calloway county were sent to the State office for approval Friday, April 23. These sheets were prepared in the office of the county agent by the community and county committees, listing all the farms in the Agricultural Conservation Program.

Farmers will be notified of their acreage when approved by the State and Washington office. Meetings are planned for the county to explain how each producer can get his maximum payments.

**More Lime Received
Monday**

Twenty and two-tenths tons of 45% phosphorus have been received in the county Monday, April 26, for farmers in the A. C. Program. This fertilizer is being used on grass and clover crops for pasture or hay. This makes a total of 46.5 tons received with enough applications to the county office for another car of more than 20 tons. Order for the car was made Wednesday, April 28.

Forty-five tons of triple-superphosphate have been received in Fleming county for use on demonstration farms.

**Dr. Richard Keys'
Picture on Front
Page in Amarillo**

Dr. Richard Keys, native Murrayan and now one of the leading physicians in Amarillo, Texas, was featured on the front page of the Amarillo Daily Globe for Monday, April 12. A splendid picture of Dr. Keys accompanied the article which follows:

"Secretary of the Panhandle District Medical Society, Dr. Richard Keys, of Amarillo is one of the leading physicians in making arrangements for the annual district medical convention which opens here tomorrow morning. Dr. Keys has served as the organization's secretary for several years. Through his work and efforts of other officers a number of noted physicians and surgeons have been secured as speakers on the coming two-day convention program."

**Business Club Votes
Better Phone System**

The Young Business Men's Club passed a motion Monday night calling for a better telephone system in Murray with the provision that the cost of any improvement in the plant and system not be excessive.

Both the common battery and dial systems have been discussed at this club.

President Holland appointed a committee of three—Nat. Ryan, Hughes, L. J. Horton and Joe T. Lovett—to confer with telephone officials and co-operate with city council on the proposition.

HAZEL CLASS TO HEAR HUBBARD

Max Hurt Will Address Graduating Class Next Thursday Evening

Elaborate plans have been made for the annual commencement week events at Hazel High school and large crowds are expected to attend the programs which have been arranged by Principal W. V. James.

The week of festivities will get under way Saturday evening with presentation of the annual senior play in the high school auditorium.

The complete programs for the events are as follows:

The baccalaureate program for Sunday evening, May 2, at 8 o'clock, is as follows:

Processional, Mrs. G. C. Davis, O. Worshipping the King, choir.

Invocation, Rev. K. G. Dunn, Lead on O King Eternal, choir.

Hope Carol, Eva Stubblefield, Dorothea Miller, Tom Turnbow, Bob Turnbow.

Baccalaureate Sermon, Rev. Carroll Hubbard, pastor Methodist Baptist Church, Murray.

Guide Me O Thou Great Jehovah, choir.

Recessional, Mrs. G. C. Davis, Benediction, Rev. Carroll Hubbard.

Graduation exercises will be held Thursday evening, May 6, at 8 o'clock. The following program will be given:

Processional, Mrs. G. C. Davis, Happy Chorus, mixed chorus.

Invocation, Rev. Wells Lassiter, Salutatory Address, Mary Frances White.

Request, Dorothea Miller, Valedictory Address, Virginia Miller.

There is An Old Road, Tom Turnbow, Address, Mr. Max Hurt.

The Soft Air is Blowing, Tom Turnbow, Dallas Miller, Everard Hicks, Bob Turnbow.

Presentation of Diplomas, W. V. James.

Benediction, Rev. Wells Lassiter.

The senior class will present its annual play Saturday evening, May 1.

The Marlenburg Necktie, a comedy play, will be presented with the following cast of characters:

Mrs. Marlenburg, owner of the famous Marlenburg Necktie, Mary F. White.

Miss Madison, her sister, Roy Mae Hart, Marilyn Drake.

Mrs. Marlenburg's niece, Virginia Miller; Robert Waring, a young lawyer, Bradford Armstrong; Maxine Marlenburg, Mrs. Marlenburg's step-daughter, Eva Stubblefield.

Ronald McAdoo, Maxine's suitor, Tom Turnbow, Hawkins, the butler, Joe Paschall; Marie, the maid, Sybil Simmons; Janet Williams, reporter, Mava Jewel Clayton.

O'Flannigan, detective (?), J. M. Platt; Miss West, representative of detective agency, Jessie Alexander.

On Wednesday evening, May 5, at 8 o'clock, Mrs. G. C. Davis will present her music students in a recital.

J. E. Patterson of Hazel Will Retire on May 1

J. E. Patterson, who has been section foreman at Hazel for a long period of years, has tendered his resignation from this position effective May 1. By this action Mr. Patterson terminates a long and honorable career in the railroad service.

He commenced his railroad duties as laborer on the M. & O. railroad near Jackson in January, 1891. After seven months service there, he transferred to the L. C. Railway, being stationed in Mississippi.

In October, 1894, he moved to Jackson, Tenn., taking up work with the old P. T. & A. Tenn. Midland System. He was promoted to position of foreman and located at Huron, Tenn., in September, 1895, and was transferred to Hazel section in March, 1900 where he has continuously served since, succeeding Joe Clifton who is remembered by some of our older citizens, and who had served the road from the time of its construction until he was relieved by Mr. Patterson.

On May 26, 1897, Mr. Patterson was married to Miss Mary Crow, a typical southern woman and no doubt this devoted companion who has so faithfully kept the home and prepared the wholesome noonday meals for him to take "out on the road" has been one of the strong factors in enabling him to serve his company so long and so well.

This couple reared eight children. The eldest, Blanche, who married A. C. Underwood of Hazel, died about two years ago. John Patterson, a son, is conductor on the L. & N. at Paris, Tenn.; Ben is a carpenter at Paris, Tenn.; Nellie, who married Galen Brandon, a employee of the L. & N. at Paris, Jimmy, who married Fred Paschall of Detroit; Lida Sue, wife of Leon Hendricks, of Hazel; and Jesse and Mildred who live with their parents in Hazel.

Mr. Patterson has worked earnestly for the civic, educational, and religious uplift of Hazel, serving several years as town trustee, and is an elder in the Church of Christ at this place. Under the railway pension system he is eligible to compensation. He leaves the service in perfect standing with the company. Mr. and Mrs. Patterson are aged 73 and 69 respectively and will celebrate their golden wedding on May 26.

T. Sheridan, 17, Dies

T. Sheridan, aged 17, son of Mr. and Mrs. Oran Sheridan, a few miles west of Hazel, died Thursday night at the Mason hospital after a few days illness of measles and pneumonia.

He leaves his young widow, and his parents, Mr. and Mrs. Oran Sheridan, together with a number of other relatives and friends to mourn his going.

Funeral services were held from the Oak Grove Baptist church, burial in the west part of the cemetery.

Ruskjer To Present Travelogue

S. A. Ruskjer, business manager of the Mason hospital, will present a travelogue of beautiful pictures in colors at the high school auditorium on Monday evening, May 3, at 8 o'clock. Mr. Ruskjer is an extensive traveler. "The Canadian Rockies," which will be shown on the screen are said to be the most beautiful scenes in the world.

Having crossed these mountains 90 times, Mr. Ruskjer will be well able to tell some interesting facts about them.

Mr. Ruskjer is presenting this travelogue free to the public. Everybody is invited.

Collice Scruggs, Mr. and Mrs. Ralph Edwards and Thomas Chesley Scruggs spent the week end with their brother, the Rev. W. Q. Scruggs, and family of Jackson, Tenn.

Mrs. Dave White of north Hazel, is slowly improving from a broken ankle.

Supt. M. O. Wraether of Murray was in Hazel on business Thursday.

PRESS AGENT

Bing Crosby plays the role of a press agent who's so good that he actually falls for a lot of glamour which he himself had concocted as part of a plot to keep Shirley Ross happy in "Walkie Wedding," the gay romance with music which opens on Tuesday at the Capitol Theatre.

Master James Overcast, O. B. Turnbow Jr. and Ted Clanton Brandon spent the week end in Paducah visiting relatives and friends.

Dr. A. A. Oliver of Paris, Tenn., was in Hazel Thursday transacting business and visiting his sister, Mrs. Kate Rose.

C. W. Drinkard of Murray was a Hazel visitor Friday.

Miss Jewell Hill was in Paducah Thursday.

James Parker Miller, of Nashville, Tenn., spent a few days last week in Hazel visiting his parents, Mr. and Mrs. J. R. Miller.

Mrs. R. R. Hicks Sr. spent the week end in Paris, visiting her sister, Mrs. R. B. Chrisman and Mr. Chrisman.

Mr. and Mrs. Hoyt Ling and Mr. and Mrs. Otis Johnson of near Murray visited in the home of Mr. and Mrs. W. B. Scruggs, Sunday.

Miss LaVerne Hill of Nashville, is spending this week in Hazel with her parents, Mr. and Mrs. N. G. Hill.

W. C. Scruggs is visiting friends and relatives in his old neighborhood, near Martin's Chapel, this week.

R. W. Green, general manager of the Kentucky-Tennessee Clay Co. was in Hazel Thursday looking after the company property here.

Mr. and Mrs. Will Jones and their visitor, Mrs. R. G. Terrell and children of Paducah motored over to Nashville Sunday and were guests of Mr. and Mrs. Neal Brown and family.

T. S. Herron was in Memphis, Sunday to visit his father, T. M. Herron, who is a patient in a Memphis hospital.

J. I. York of Murray was a Hazel business visitor, Monday.

Who's Who in The Senior Class of Hazel High School

Harvey Ellis, son of Mr. and Mrs. Duncan Ellis, was a member of the softball team in '34, '35, '36, '37; French Club, '34; basketball team '34, '35, '36, '37. F. F. A. vice-president of the senior class; Argonion Society '36; Cherokee Society '35.

Mr. and Mrs. Oben Brandon, son, Max, and Buster Paschall were Paducah visitors Sunday afternoon.

Hugh Cooper and Bob Turnbow were Paducah visitors Sunday afternoon.

The junior class was host to the

seniors class on an outing at Noble Park, Wednesday, April 28. Under the direction of Mr. Crass, the F. F. A. boys sponsored a Father and Son fish banquet, Tuesday night. Preparations were made for 75 people.

The faculty and student body wishes to thank the Ledger & Times for the courtesy they have shown in publishing the school news each week during the school year.

Plays

Following is a detailed announcement of our plays. The plays will be good and the admission reasonable. If you like a mixed-up mystery, see "Spooky Tavern". If it is a story of a mother's love you like, then see "An Old Fashioned Mother". Don't miss them.

"Spooky Tavern," a mystery farce in three acts, will be presented by the junior class on May 8 in the school auditorium. The characters are as follows: Lon Hacker, Pat Rogers; Ghost Woman, Beatrice Sue Norsworthy; Lucy Hacker, Maurine Rogers; Joyce Wingate, Thelma Dale Martine; Florabel Wingate, Mary Sanders; Bedelia, Mary E. Johnson; Ralph Tanner, Burch Johnson; Willie Worgle, Norville Cole; Blackie Simms, Taz Ezell; Farone, Vernon Wilson.

"An Old Fashioned Mother" will be presented Saturday night, May 1, by the senior class. The cast of characters follows:
Deborah Underhill, a mother in Israel, Elizabeth Lawson; Wilbur Underhill, leader of the choir, Ruth Hanley; Lawry Loeing, a plain sewing and gossip, Reva Pearl Farless; Isabel Simpson, the village belle, Gladys Hawks; Gloria Perkins, as good as gold, Dorothy Stark; Sukey Pindle, the widder's maid, Willodeen Pace; John Underhill, the prodigal son, Cotton Billington; Charley Underhill, the elder brother, Wilson Marine; Bro. Jonah Quackenbush, a white sepulchre, Ned Washer; Jeremiah Gosling, a merry heart, James Pierce; Enoch Bone, an outcast and wanderer, Eldon Tucker; Quintus Todd, the county sheriff, J. C. Breber.

On April 24 the sophomores presented a play, "Young and Healthy", in the high school auditorium. The antics and philosophy of the young people in the play delighted both young and old. The play, filled with the spirit of youth, was presented by the cast with the spirit that goes with youth.

The cast included: Bobby Means, the "head" of the family, Joe Jones; Harold Means, his younger brother, Richard Mills; Bill Baker, a stranger, J. B. Adams; "Windy" Williams, a know-it-all, Harry Douglas; Abbott Ardley, a medical student, Rob Gingles; Garrison Garwood, a studious person, Ralph McCallion; Evelyn Pringle, Bobby's "big moment", Sue Marine; Vivian Adams, Harold's "heart throbs", Imogene Dulany; Ruth Meek, who lives up to her name, Kathleen Meyers; Elizabeth Evans, who wants to be an actress, Evelyn Paschall; Edith Evans, her older sister, Geraldine Hurt; Fanny Pearl, a young colored maid, Mary Belle Pace.

MURRAY HIGH SCHOOL

By Clara Waldrop

The four classes of high school are preparing an athletic meet. Each elected a manager. They are, freshmen, Hal Kingfish; sophomore, James Boyd; Buchanan, junior, Phil Cutchin, and senior, Elmo Williams.

Basketball competition will be held this week end, Wednesday, Thursday, and Friday. Softball tournament will be held next week end on Wednesday, Thursday, and Friday. There will also be track and tennis events.

On Wednesday afternoon, April 29, a joint meeting of the Parent-Teachers' Association and the Mothers' Club of the Training School was held. Everyone had a very nice time.

Up from the bed he arose at 3:30 a. m. on Saturday morning. At 4 a. m. we were on our way to Mammoth Cave. Those included were Miss Kathleen Patterson, Mr. W. B. Moser, Misses Sylvia and Beatrice Packman, Georgia Johnson, Imogene Colson, Frances Shelton, Geraldine Barnett, Elizabeth Askew, Bertha Nell Shroat, Mayne Ryan, Frances Sled, Marjorie Shroat, Clara Waldrop and James Boyd Buchanan.

James Wilson, Carl B. Puckett, Billy Harrison, Carlyle Phillips, Blane Sykes, Rob Hutts, Solon Hale, Garnett Jones, Haron West, Gene Patterson, Dan Hutson, Ed Wilson Farmer, Charles Mason Baker, Roy Beaman, Hal Kingfish, James Thurmond, Louis Charles Ryan, Joe Tom Parker, Solon Jones, Rue Overby, Gerbis Smith. We arrived at the cave at 9:30.

First we went to the historic old entrance. After resting a while we went on a hike of the surrounding country. It was very beautiful. We noticed especially the pink and white dogwood trees, which were in bloom. We also found 30 different kinds of wild flowers. Almost scared to

death (that is the girls were) we ran upon little bugs who smelled like almonds.

We also saw many snails and other crawling creatures of interest.

We ate lunch at the old cave entrance and about 1 p. m. we piled back into the bus and went to the New "Frozen Niagara" entrance. We went through Route 4. Among the most interesting things we saw were, Roosevelt's Dome, Crystal Lake, where we went for a delightful boat ride. Frozen Niagara, September Morn, Tiger Lilies and many other beautiful formations. We got out of the cave about 3:30. We started on our way home then (stopping at every town). We stopped at Bowling Green for supper. While there we visited Western State Teachers College. At about 6:30, we left there and came home, arriving here at 10 p. m. All in all it was the most enjoyable trip we had ever taken. We all hope to go again next year. We are certain we could not have had better chaperones and a greater time.

"Scene" at Operetta Practice

"Days" Currier has a glint of "that old green demon" in her eyes as "Konrad" Williams was charming "Chonita" Gatlin so realistically.

"Stefan" Miller who puts his all in the acting as (according to the script—Hm-m-m-m) he succumbs to Chonita's charms. Hm-m. Don't worry "Stub" cause "Chonita" with all its splendor, its romance, and its ah-intrigue, will be over May 7, when the final curtain is lowered on that colorful last act.

As for playing the part of a butler, my friends, you've never seen real, honest to goodness "Bm!" (the old goat) Hart "bottle" his way into Days' "Hart"—inspire of her "Evil Eye".

Calling All Waiters

While practicing for the colorful operetta "Chonita", Mr. Crane found that old-fashioned waiting (1890 vintage) is not to "go" these days as most of the dancers had an entirely different version of it, (if any). A waiting class was held Wednesday night, April 21, for the dancers of the second act. A large crowd struggled with the "new" step to the tune of 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, etc., and even the next day we heard a muttering in the halls between classes—1, 2, 3, 4, 5.

FIRST BAPTIST CHURCH

Preaching by the pastor morning and evening. Morning subject: "BREAKING THE ALABASTER BOX." Evening subject: "THE MESSAGE OF REHOBOAM."

Sunday School every Sunday morning at 9:30, with classes for all ages taught by competent teachers in separate class rooms. Dr. Hugh McElrath, superintendent.

Baptist Training Union, meets every Sunday evening at 6:40, with each Union having a very fine program of instruction, inspiration, and fellowship. Each Union meets in a separate room. R. W. Church, III, director.

Mid-week meeting every Wednesday evening at 7:15. This is the half way station for refueling for the work to be done until next Lord's Day; the members and friends are earnestly invited to attend. The Workers' Council meeting follows this meeting immediately.

The church extends a very hearty and cordial invitation to all

strangers and those having no church home to worship here whenever possible.

RAYBURN TO MAKE ADDRESS AT ALMO

Commencement Week Opens Saturday Night With Senior Class Play

The senior class of Almo High School presents the 3-act comedy entitled "The Eighteen Carat Booby" in the school auditorium Saturday night, May 1. There will be plenty of music before the play and between acts.

Elder Dewey H. Jones, pastor of the Baptist Church of Benton, Ky., will give the baccalaureate sermon Sunday afternoon at 2:30 o'clock. Music will be furnished by the school octet.

Waylon Rayburn, district supervisor of Adult Education, of Murray, will give the commencement address Thursday, May 6, at 8 p. m.

The sophomore class will present the closing program for the school year Saturday night, May 8, by giving the 3-act comedy, "Here Comes Charlie."

A very large crowd attended the musical program given here by Robert Lunn and Co. of W.S.M., Nashville, Tenn., last Thursday night. They presented a very fine program.

Junior Senior-Banquet

The juniors entertained the seniors with a banquet Saturday night, April 24. The room was decorated in pink and white. Chests were placed around the room filled with treasures. Trees formed the background. The place cards were in the form of miniature chests.

Several very interesting talks, based on Treasure Island, were given. Twenty-four were present. Sophomore girls were waitresses. The program was as follows:

March, Miss Jones.
Invocation, Mr. Story.
Toastmistress, Margaret Stephenson.
Welcome, Frances Suiter.
Response, Charles Johnson.
Solo, "The Three Grendiers", Leon Beale Jr.

"Shoving Off for Treasure Island", Mr. Billington.
Trio, Kathleen Brown, Trucille Reeves, and Virginia Darnell.
"Trouble at Sea", Mr. Wells.
Solo, "Hot", Mr. Story.

Poems and gifts to Seniors, Halline Lassiter and Virginia Darnell. The menu consisted of cheese crackers, boiled ham, potatoes, peas, tea biscuits, tomato cocktail, tomatoes, olives, salad, butterfly, iced tea, banana split and angel food cake.

Our softball team journeyed over to Concord last Friday for a game and was victorious by a score of 6-3.

The highlight of the game was the very effective pitching of Beale, who didn't allow a run until the sixth inning.

Concord is to return the game the latter part of this week.

In Memory

In memory of Grady Reeder, who was drowned in the Tennessee River on April 19, 1937. He was 15 years and a few weeks in age.

He leaves a sorrowing mother and father, one brother, Glen Reeder of Detroit, one sister, Mrs. Orion Rowlett of Webster, Fla., and a host of relatives to mourn his untimely passing.

"We are grieved. Yet after all it may be best. Just in the happiest, sunnier hour of all the voyage. While eager winds are kissing every sail. To dash against the unseen rock. And in an instant hear the billows roar above a sunken ship. For whether in mid-ocean Or among the breakers of the farthest shore. A wreck, at last must mark the end of each and all. And every life, no matter if its every hour is rich with love. And every moment jeweled with joy. Will at its close, become a tragedy. So many dear have died and left forlorn. Their helpless ones to fight life's bitter fight; I hear them tolling in the bitter morn. I hear them weeping in the weary night. May the God of love strengthen his mother."

MEMORIAL BAPTIST CHURCH

Carroll Hubbard, Pastor. The Sunday School opens promptly at 9:30 a.m. G. A. Murphy, superintendent. We had almost a record attendance on last Sunday morning. Let us do even better next Sunday.

The morning worship service will be held at 10:45 o'clock. The

Reduction in Rates Are Proposed by the Kentucky-Tennessee Light and Power Co.

Information obtained at the Murray office of the Kentucky-Tennessee Light and Power company disclosed that local officials had received no communications from their head office about the proposed rate reductions submitted to the Public Service Commission Friday.

There was little chance of any rate reductions in Murray before June billing, in any event, officials said. The rate reductions are made as each one is passed by both the commission and the light company. If Murray is passed early, the reductions will take place at that time.

The major possibility in evidence Wednesday was that a notice of reductions would arrive about May 11. Reductions would affect Kentucky to the extent of about \$100,000 annually. The bill amount to about a 10 per cent, and will

affect about 63 Kentucky towns. They include Frankfort, Bowling Green, Hopkinsville, Glasgow, Mayfield, Smith's Grove, Murray, Taylorsville and Scottsville.

The commission, in stating that an agreement had been reached with the utility company, said the schedules would be offered for approval on May 11 or as soon afterward as possible. They will become effective not later than the July 1 billings.

The company also agreed to increase the wages of Kentucky employees, principally in the low income brackets, approximately \$41,000 annually. The increases are to become effective by the middle of May, the commission announced.

The commission, on April 10, ordered the company to show why its rates should not be lowered.

Calloway To Get \$21,094.50 for Rural Roads from State, Including Refund

FRANKFORT, Ky., April 24—By virtue of conservative operation in the administration of the Rural Highway Department, each county in Kentucky will have additional funds for rural highway work this year. Less than one-half of the amount allotted the Department for administration purposes was withdrawn from the budget during the last fiscal year.

The unexpended fund, amounting to \$113,164.56, has been apportioned among the 120 counties in the State, Cecil Williams, Rural Highway Commissioner, announced today.

Calloway county's apportionment of the refund adjustment was \$681.48, which "with the \$4927.75 unexpended balance from the 1936-1937 allotment added to the \$15,205.27 set up from the 1937-1938 program gives the county a total available allotment of \$21,094.50.

When the Rural Highway Department was inaugurated April 1, 1936, after the General Assembly had made available \$2,000,000.00 for use on secondary and feeder roads, 10% of the fund or \$200,000.00 was set up for administrative purposes, only 45% was used.

Administration costs included salaries of Central and District

office employees, traveling expenses, office equipment, workmen's compensation and incidental items.

When the Department's Fiscal year ended March 31, the administration division had used but \$66,835.44. Mr. Williams immediately began the refund adjustment.

At the end of the year the Rural Highway Department had actually expended in cash for road work \$117,758.31, constructing more than 3,000 miles of grade and drain, 2,000 miles of surfacing along with the erection and repair of a large number of bridges.

Nearly \$800,000.00 allotted and obligated to the county but unexpended due to the fact that the 1936-1937 program was late starting will be available for road construction this year. Of the \$1,800,000.00 set aside for actual road work, \$682,445.28 was not used. This with the \$113,164.56 unexpended funds in the administrative budget gave an actual refund of \$795,609.85.

Mr. Williams said that the policy of the Department would be to surface the 3,000 miles of grade and drain roads before additional grade and drain work would be undertaken.

tures and their effect on livestock indicates that heavy feeding of minerals may be harmful to animals.

The study of mineral mixtures followed continued reports to the Experiment Station of stock on farms over the state dying without symptoms of diseases or troubles commonly fatal to animals. It was observed that in many instances, of such losses the stock had free access to mineral mixtures, such mixtures being placed in pastures, feed lots and barns.

Unconscious 21 Days With Encephalitis Following Measles

James Everett Hughes, 19 year old son of Mr. and Mrs. John Hughes, who live about one mile southeast of Murray, is fast recovering from encephalitis, a complication of measles.

James Everett developed measles on March 12 and encephalitis complicating the disease on March 15 or 16. He ran a temperature of 106° degrees for several hours, before medicines would take effect. He became unconscious with the development of encephalitis and remained so for 21 days. The child's neck was stiff, his jaws locked and his arms and legs rigid. He could not talk, move any part of his body or seemingly recognize or recall anything during the 21 day coma.

He was fed by means of a nasogastric tube every three hours during the entire period of his unconsciousness.

By some remarkable force he fought the death call and rallied. After consciousness began to return, and his physician thought best, he was brought to the Keys-Houston Clinic Hospital for physiotherapy treatments to aid in the return of function to the muscles of the arms, legs and trunk. He left the Clinic on April 19 for his home and apparently has completely regained his health.

Funeral Directors To Meet Thursday

The funeral directors of Calloway county are in Paducah today attending the 12th annual meeting of the West Kentucky District Funeral Directors Association.

Interest centers here in the fact that R. W. Churchill, Murray, is and has been the secretary-treasurer of the organization while W. B. Gilbert, Murray, is a director and last year served as president of the body.

E. J. Beale, Murray humorist and entertainer, was billed to make the principal speech at the banquet this evening at the Hotel Irvin Cobb but was obliged to cancel the engagement on account of his duties with the State Welfare board.

Besides Messrs. Churchill and Gilbert, of Murray, W. W. Kelly, Hazel, and Whitte Limes, also are attending the meeting.
